

# Let the Haters Know

Bizzy Bone

Ye ye

(One time)  
One setup  
No enemies

Allah  
(Is for my people) if you have no enemies there is no reason for you to ride  
on this one right here baby  
(Na meen b war) yeah  
Bounce  
Bounce  
Come on  
Come on

That's what I'm talking baby  
Right there baby  
(The right way this is our house)  
Allah is god muslims in the house

A many a people in my business  
Many a people in deed  
Many a people on my disnic  
And they don't even know me

They Wasn't around for thuggish ruggish  
Wasn't around for the struggle  
They wasn around when I was homeless  
Wasn't around for my troubles  
Up in my \*\*\*\*\*es face  
Like they was there for the soth  
Ter

They getting tested and don't even know it  
They don't got no water hola holla  
Need a dolla drop a dime in a bucket  
I'm cutting them up off quick qwit the quickness  
I don't know you like \* it  
All the judases & harlots & dragons we set around  
I came in the door besseed  
And you acted like you found me

Could have cleaned you up and downey (Allah damn me)  
Could have cleaned you with bleach  
I am a muslim study islam baby then you can reach

And let the haters know the truth nigga  
They de snakes and they gone be the demons it the lak  
E eternally burnin in the fire  
Batta get quick back to god  
Allah  
An we say a sallah mallecum get on your job

And let the haters know the truth nigga they de snakes  
And they gone be the demons it the lake  
Eternally burnin in the fire betta  
Get quick back to god

Allah  
An we say a sallah mallecum get on your job  
One time for they...

How do they lie  
With they venomous tongues and leading the life

Would they be switching they stories  
They g  
Lore me deplore me to fight

Like I'm scared to take a flight  
I rather travel on foot  
I am a walker you a dreamer  
In a beemer now look  
I am a muslim and I'm not drinkin your grapes and your wine  
Gimme the milk and draped in silk &  
Poppin pills I'll be fine  
And they totally out of line  
Poke out your inches to see me  
It I'll take more than plastic surgery for you to try to be me  
It I'll take more than rappin fast it  
Il take more th your braids  
It I'll take more than flashin cash  
It I'll take more than a cape  
Ve it I'll take more than pretty women right now I'm abstinent hey

It I'll take more than getting attacked, I'm a veteran mayn  
With all the geniuses an harlots an dragons be set around me  
I came in the door bleesd and you actin like you found me

Could have cleaned you up wi downey  
Could have cleaned you with bleach  
I am a muslim study Islam baby  
Maybe you can reach  
Yo

See what I'm tryna Tryna tell these people out here man is basically... what  
y'all need to do is study islam right now you know what I'm sayin... ya'all  
need to get knee deep in y'all books please believe...  
Juss Ride to this  
I got alil something else I need to speak to y'all about ok... so keep ya mi  
nd together here we go baby (aight aight)

Whatever is clever (it) ain't always the best way to go  
Better with cheddar  
In on my money now look at the road  
For the words I wright for the words U wright when I comes just watch it go  
flow  
When the bird comes tight till it comes to the light then you know that I go  
t the sow

Enemies I'm comin when it come to tipsy toe  
We come we around the corner with no Warner and no gol  
We slip up in the party like we shrimp up on the barby

So every body know  
That we commin in the door slow down no they don't know

I hold crown  
Listen to the shotgun go blow  
Yeah shit sounds so profound

Have you saying he still got it  
I still got it you clown  
I came down to rock  
Y'al suckaz (suckaz)  
Keeping my eyes open lookin out for my brothas  
Smother you with the love (it) the best of it's kind  
I rock house-parties barmitsfaz  
The internets mine  
One time
