

## Tha Streets

Bizzy Bone

Rest in peace, Karlos Shammar Davis. 7th Sign soldier. A.K.A. Low Down. Rest in peace, nigga. I love you. Yeah. It's just the dirty Seven in this motherfucker, killers incorporated motherfucker. Ha ha... Little Capo in this bitch. Rasu in this motherfucker. Mo! Thug Millennium, ThugLine. Nigga what? Bring yellow niggas back in style B

The streets smothered me, crack smothered me and the brothers/ I want to move out of this country, get away from ya motherfuckers/ Momma was cheatin' and sleepin' with somebody else's nigga/ A bastard is born quick, Lil' B got half sisters/ Liquor ridiculous, watchin' my niggas die quickly/ Speak from the spirit, they comin' with me/ And that's for runnin' with me, dirty money, I'm still hungry/ Club niggas is yuppies, guppies fuckin' these little baby puppies/ Fresh outta prison, nigga rusty, but I'm mackin' nonetheless/ Bullet's is followin' but Bizzy is feelin' lucky/ So why you muggin' me thug, you really ain't buggin' me bitch/ And Little Capo keep lookin' that's cause he really love me/ The streets smothered me, crack smothered me and the brothers/ I want to move out of this country, get away from motherfuckers/ Nine millimeter, it don't cover me, I'm caught up in this motherfuckin' fuckery/ 7th Sign, nigga

Only God is us, homie roolly, in God we trust/ God bless my niggas, thug luv (Hell yea)/ Only way that we gon' ever get to rise, togetherness as we ride till we meet our demise

Twenty Two years and still countin' clockin' collateral, baffled while we really here up against obstacles/ I'm a radical, killer Capo-Confuscious, throw up my fist if we compatible/ No love? Fuck it, then let's battle/ Ammo explode, machine gun rattle/ Everybody scatter, hysterical/ Sirens, police patrol (Whoa!) But they keep on rollin' soon as they see that this O.G. is back controllin' the streets/ Probably some real niggas, got me heated, state your beef/ These bitches need to practice what they preach, capice? Rest in peace Martin Luther King, who truly was a bigger man than me, turned the other cheek/ Nigga, please! Generation X is more than the weak, just a little sneak peek preview of what I came to do/ Simply dominate, won't tolerate, dispute/

Nickel plated, aim to shoot 'em up/ Suggest you pussy's keep yo  
ur lip shut or get fucked

United we stand, divided we fall for the same bullshit like sni  
pers on Whitehouse lawns/ In the same 'hood shit, got niggas fr  
om Compton to Africa on  
that thug shit/ Reginold Deny, any comment I lost my blood repp  
in' Karlos Davis/ I can't love shit unless the fullest extent i  
s given/ I'm above this  
deception, I know they intentions/ Weapons of thug shit if ever  
they step out of line/ From ashes to dust, bitch! Ride, never  
been far from the grave,  
since the murder, never been afraid/ My cradle had a guage clos  
e by when my Father was stressed/ Momma asked him to leave as s  
he departed to death/ And  
ever since, I've been convinced that it's kill or be killed/ Ha  
d the young mind of a scholar, but society failed/ Josiah Ben R  
asu, they caged my brother  
back in '96 but now in Armageddon we ridin' forever

[Chorus]
