

The Truth

Bizzy Bone

A many a people in my business /many a people in deed
Many a people on my disnic/ and they don't even know me /
They Wasn't around for thuggish ruggish/ wasn't around for the
struggle/ they wasn around when I was homeless /wasn't arou
nd for my troubles
Up in my *****es face /like they was there for the soth/ter/
They getting tested and don't even know it/ they don't got no w
ater hola holla
Need a dolla drop a dime in a bucket/ im cutting them up off qu
ick qwit the quickness/ I don't know you like **** it/all the j
udases & harlots & dragons we set around /I came in the door be
ssed /and you acted like you found me/
Could have cleaned you up and downey (Allah damn me) /could hav
e cleaned you with bleach/I am a muslim study islam baby then y
ou can reach/

And let the haters know the truth nigga/ they de snakes and the
y gone be the demons it the lak/e eternally burnin in the fire
/batta get quick back to god/allah
An we say a sallah mallecum get on your job/]]
And let the haters know the truth nigga they de snakes/ and the
y gone be the demons it the lake /eternally burnin in the fire
betta/ get quick back to god/Allah
An we say a sallah mallecum get on your job
One time for they

How do they lie /with they venomous tongues and leading the lif
e/
Would they be switching they stories /they g/lore me deplore me
to fight/
Like I'm scared to take a flight /I rather travel on foot /I am
a walker you a dreamer/ in a beemer now look/ I am a muslim an
d im not drinkin your grapes and your wine /gimme the milk and
draped in silk &/ poppin pills I'll be fine
And they totally out of line /poke out your inches to see me/ i
t ill take more than plastic surgery for you to try to be me /i
t ill take more than rappin fast it/ il take more th your braid
s/ it ill take more than flashin cash / it ill take more than a
cape/ve it ill take more than pretty women right now I'm absti
nent hey/
It ill take more than getting attacked ,I'm a veteran mayn/ wit
h all the geniuses an harlots an dragons be set around me/I cam
e in the door bleesd and you actin like you found me/
Could have cleaned you up wi downey/could have cleaned you with
bleach
I am a muslim study Islam baby/maybe you can reach/yo

Lil speech/ chorus 2

See what I'm tryna Tryna tell these people out here man is basically.. what y'all need to do is study islam right now you know what I'm sayin.. ya'all need to get knee deep in y'all books please believe....

Juss Ride to this/ I got alil something else I need to speak to y'all about ok.. so keep ya mind together here we go baby (aight aight)]]

Verse 3

Whatever is clever (it) aint always the best way to go /better wit cheddar

I/n on my money now look at the road / for the words I wright for the words U wright when I comes just watch it go flow /when the bird comes tight till it comes to the light then you know that I got the sow /

Enemies im comin when it come to tipsy toe /we come we around the corner with no Warner and no gol /we slip up in the party like we shrimp up on the barby/

So every body know /that we commin in the door slow down no they don't know/

I hold crown /listen to the shotgun go blow /yeah shit sounds so profound/

Have you saying he still got it /I still got it you clown/ I came down to rock

Y'all suckaz (suckaz) / keeping my eyes open lookin out for my brothas

Smother you with the love (it) the best of it's kind/I rock house-parties barmitsfaz /the internets mine/one time

(..OUTRO..)
