

What Eazy Said

Bizzy Bone

First, the fuck I been?
I came into your motherfuckin' office
To tell you, bitch, I ain't re-signin' with you bitch, fuck you
I'm gon' do my own motherfuckin' thing
I don't give a fuck—I don't give a fuck
They're—they're my niggas
I'm the good man in Bone Thugs-N-Harmony, bitch
Tell me what the fuck
Fuck you, fuck you, fuck you

I always be ready to die, [?] respect to you mind (We pray, we pray, we pray
, we pray)
See by my side (By my side), and never leave on me again
I get rather behind (We pray, we pray)

That's what Eazy said (That's what Eazy said)
(We thuggish ruggish niggas always)
I remember what Eazy said
(And ready to bring the war up your way)
I remember what Eazy said
(I) I remember what Eazy-Eazy

I'm that gangsta-gangsta, is that what they're still yellin'?
Nigga G to a T, saggin' and bailin'
I'm that gangsta-gangsta, is that what they're still yellin'?
Nigga G to a T, saggin' and bailin'

You know in this thug shit
Murda, mo murda, mo mur-shoot you in the club
Bitch, I'ma come
I sell this when one of em double Glock, double barrels on the ride
You know I brought cherry wine
Look out for the killers, I'm always observin'
Even the scary ones
But those be the one that'll get you
If [?] think I don't carry one
As soon as I land in the city, we never been afraid to bury one
Hollow points on you, you dumb-dumb, you dumb
Little Eazy rest in peace
Tell 'em where we come from
Fuck every dirty needle in that acupuncture stun gun

I always be ready to die, [?] respect to you mind (We pray, we pray, we pray
, we pray)
See by my side (By my side), and never leave on me again
I get rather behind (We pray, we pray)

That's what Eazy said (That's what Eazy said)
(We thuggish ruggish niggas always)
I remember what Eazy said
(And ready to bring the war up your way)
I remember what Eazy said
(I) I remember what Eazy-Eazy

I'm that gangsta-gangsta, is that what they're still yellin'?
Nigga G to a T, saggin' and bailin'
I'm that gangsta-gangsta, is that what they're still yellin'?

Nigga G to a T, saggin' and bailin'
