

## iPod Touch

BJ Lips

I only care about things that matter to me like  
Money, clothes, and boys  
I'm not wastin' time doin' something sublime  
If you wanna have fun you gotta get like me

Before you leave the house, gotta grab your Prada bag  
Gotta check your makeup, make yourself look like a blow doll  
Pick up your girls and blast some Heidi Montag  
Don't forget the most important thing of all

Talk to boys, at the mall  
Text them on my iPod touch  
Wait for them, to hit me up  
Sext them on my iPod touch

My only aspiration in life is hot guys  
Who give me money  
I'm not wastin' time on a penny or a dime  
If you wanna have fun, you gotta get like me

Before you leave the house, gotta grab your Prada bag  
Gotta check your makeup, make yourself look like a blow doll  
Pick up your girls and blast some Heidi Montag  
Don't forget the most important thing of all

Talk to boys, at the mall  
Text them on my iPod touch  
Wait for them, to hit me up  
Sext them on my iPod touch  
Talk to boys, at the mall  
Text them on my iPod touch  
Wait for them, to hit me up  
Sext them on my iPod touch

On my iPod Touch, on my iPod Touch  
On my iPod Touch, on my iPod Touch  
Before you leave the house, gotta grab your Prada bag  
Gotta check your makeup, make yourself look like a blow doll  
Pick up your girls and blast some Heidi Montag  
Don't forget the most important thing of all
