

# Lobotomized

BJ Lips

Um, what's a lobotomy?  
I have no idea what that is  
But I know it's gonna fix all my problems

I wanna get lobotomized  
Put that needle through my eyes  
I wanna get lobotomized  
Put that needle through my eyes  
La-a-a-a-abotomized  
La-a-a-a-abotomized

I don't wanna be sad, I just want lobotomy  
Do a couple lines with a big dick inside of me  
Get a sugar daddy who will buy Prada bags for me  
Bags for me, lobotomy

I've got every single procedure  
Rhino lipo enhance all my features  
Now I think it's time for lobotomy  
C'mon girls, let's go to Claire's

I wanna get lobotomized  
Put that needle through my eyes  
I wanna get lobotomized  
Put that needle through my eyes  
La-a-a-a-abotomized  
La-a-a-a-abotomized  
La-a-a-a-abotomized  
La-a-a-a-abotomized  
I wanna get lobotomized  
Put that needle through my eyes  
I wanna get lobotomized  
Put that needle through my eyes
