

# Magic Wand

BJ Lips

You got me hooked on your touch  
You send me over the moon  
Just like you do with them girls  
With all your pretty words

But when you get mean  
You really hurt me  
Then you know just what to do  
To get me in the right mood  
You know the buttons to press  
For me to open to you  
To you, to you, to you

You're like a warlock  
Castin' spells on my heart  
You waved your magic wand  
And put a spell on me  
And now I'm bound to you  
Stronger than the strongest chain  
There's no getting rid of me

You're like a warlock  
Castin' spells on my heart  
You waved your magic wand  
And put a spell on me  
And now I'm bound to you  
Stronger than the strongest chain  
There's no getting rid of me

You got me hooked on your touch  
You send me over the moon  
You're like some new kinda drug  
'N you've got me fucked up

But when I try to  
Get clean from you  
I can never pull through  
You've got this magic wand  
That you wave at me  
It's got me down on my knees (Down on my knees)

You're like a warlock  
Castin' spells on my heart  
You waved your magic wand  
And put a spell on me  
And now I'm bound to you  
Stronger than the strongest chain  
There's no getting rid of me

You're like a warlock  
Castin' spells on my heart  
You waved your magic wand  
And put a spell on me  
And now I'm bound to you  
Stronger than the strongest chain  
There's no getting rid of me
