

## Your Slut

BJ Lips

Out with the girls getting super loose  
Shake it like I got somethin' to prove  
Even though I know I'm hard to resist  
Cause I'm the hottest bitch to exist  
Give it all up, nothin' to lose  
Except for my sexy Prada shoes  
Come here boy put your hands on my hips  
You won't let go once we're touching lips

Sittin' in your lap really turns me on  
Baby, I've done it before the feeling is gone  
Insatiable desire, baby, I don't want your love  
All I really want is to be your slut

I-I wanna be  
Be, be your slut  
I-I wanna be  
Be, be your slut  
I-I wanna be  
Be, be your slut

Hands on my hips, p-p-pull me in closer now  
I'm ready for it  
Pin me down like no one else has before  
You've turned such a good girl into a whore  
All I want is to give you pleasure  
Grab by my neck and apply the pressure  
And you know I like it like that  
You can hit it from the back, give it, give it a smack

Sittin' in your lap really turns me on  
Baby, I've done it before the feeling is gone  
Insatiable desire, baby, I don't want your love  
All I really want is to be your slut

I-I wanna be  
Be, be your slut (Your slut)  
I-I wanna be  
Be, be your slut (Wanna be)  
I-I wanna be  
Be, be your slut (Wanna be)

Sittin' in your lap really turns me on  
Baby, I've done it before the feeling is gone  
Insatiable desire, baby, I don't want your love  
All I really want is to be your slut
