

# Feel Something Do Something

BJ The Chicago Kid

Oh-ooh-woah  
Woah-ooh-woah

Oh, come, close the door, baby  
You hear, girl, what you waitin' for?  
It's that time  
Time of the night  
And, oh, I got everything you need  
So baby, won't you come with me  
Come follow me, I'll follow you

And if you feel somethin', do somethin', girl, I ain't goin' no where  
And if you see somethin' you like, baby, gon' 'head, act like it, it  
And if you still got somethin' on your chest, say it loud  
You say you a G, gon' on and say it wild  
Just tryna push them buttons, baby girl, 'cause I know you like it (Yeah, yeah)  
Oh-ooh-woah (Eee-woo)

Baby, babe  
Now that you're here in my bedroom  
You're finally here, so I think we should take it slow (Woah, oh, woah, oh)  
It's hard to name, girl, what we found (Oh-ooh-woah, yeah, baby, huh)  
But tonight my house is your house

And if you feel somethin', do somethin', girl, I ain't goin' no where  
And if you see somethin' you like, baby, gon' 'head, act like it, it  
And if you still got somethin' on your chest, say it loud  
You say you a G, gon' on and say it wild  
Just tryna push them buttons, baby girl, 'cause I know you like it (Yeah, yeah)  
Oh-ooh-woah, oh-ooh-woah (Eee-woo)

Ooh-ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh-ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh-ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh
