Not 'til you halo all over me I'll come over Not 'til it shimmers 'round your skull I'll be yours

I weave for you
The marvellous web
Glow in the dark threads
All neon like

The cocoon surrounds you Embraces all So you can sleep Foetus-style

And they will assist us
'Cause we're asking for help
And the luminous beam
It feeds you,
Henh-yeah!, henh-yeah

The soft distortion Fills you up Nourish nourish Your turtleheart

And they will assist us
'Cause we're asking for help
And the luminous beam
It feeds you
Henh-yeah!, yeah!

Don't get angry with yourself Don't, don't get angry with yourself I'll heal you

With a razorblade I'll cut a slit open And the luminous beam Feeds you honey, heals you

Don't get angry with yourself

I'll heal you, i'll heal you
luminous, i'll heal you
