

# Black Lake

Björk

Our love was my womb but our bond has broken  
My shield is gone,  
my protection is taken

I am one wound,  
my pulsating body  
Suffering being

My heart is enormous lake,  
black with potion  
I am blind,  
drowning in this ocean

My soul torn apart,  
my spirit is broken  
Into the fabric of all he is woven

You fear my limitless emotions  
I am bored of your apocalyptic obsessions

Did I love you too much?  
Devotion bent me broken  
So I rebelled,  
destroyed the icon

I did it for love,  
I honoured my feelings  
You betrayed your own heart,  
corrupted that organ

Family was always our sacred mutual mission  
Which you abandoned

You have nothing to give,  
your heart is hollow  
I am drowned in sorrows

No hope in sight of ever recover  
eternal pain and horrors

I am a glowing shiny rocket  
Returning home

As I enter the atmosphere  
I burn off layer by layer
