```
It's not meant to be a strife
It's not meant to be a struggle uphill
It's not meant to be a strife
It's not meant to be a struggle uphill
Oh I
You're trying too hard
Surrender
Give yourself in
You're trying too hard
You're trying too hard, ah
It's not meant to be a strife
It's not meant to be a struggle uphill
It's not meant to be as dry
To enjoy
It's not meant to be a stuggle uphill
Oh I
It's warmer now
Lean into it
Unfold
Unfold in a generous way
Surrender
It's not meant to be as dry (surrender)
It's not meant (undo) to be a struggle uphill (undo)
It's not meant to be as dry
It's not meant to be a struggle uphill
I'm praying
To be
In a generous mode
The kindness kind
The kindness kind
To share
Me
To share me
It's not meant to be as dry
It's not meant to be a struggle uphill
It's not meant to be as dry
It's not meant to be a struggle uphill
Undo
Undo
If you're bleeding
Undo
And if you're sweating
If you're crying, darling
Undo
