Up on the toe
There is a view
Up on the toe
And the spine

Straight and erect Hungry and curious Up on the toe Looking forward to

The air is thinner here

She came here
To lose face
Got down on her knees
The beast is back!

On four legs Set her clock to the moon Raises her spine

Vertebrae by vertebrae Up on the toe Looking

I have been filled with steam for months, for years Same old cloud, claustrophobic me Let it burst like old train sounds Make them leave me nature

Vertebrae by vertebrae by vertebrae

My arms squeeze out of my shoulders!

And the arms squeeze out of my shoulders I curl my tail in words I set my clock on the moon Vertebrae by vertebrae

(3x) Please release this pressure of me

Let off some steam
