

## All Neon Like

Björk

Not 'til you halo all over me  
I'll come over  
Not 'til it shimmers 'round your skull  
I'll be yours

I weave for you  
The marvellous web  
Glow in the dark threads  
All neon like

The cocoon surrounds you  
Embraces all  
So you can sleep  
Foetus-style

And they will assist us  
'Cause we're asking for help  
And the luminous beam - it feeds you!

The soft distortion  
Fills you up  
Nourish, nourish  
Your turtle heart

And they will assist us  
'Cause we're asking for help  
And the luminous beam - it feeds you!

Don't get angry with yourself  
Don't, don't get angry with yourself  
I'll heal you

With a razor blade  
I'll cut a slit open  
And the luminous beam  
Heals you honey, heals you

Don't get angry with yourself  
Don't get angry with yourself  
Don't get angry with yourself  
Don't get angry with yourself  
I'll heal you  
I'll heal you  
Luminous  
I'll heal you
