Björk

Gling gló, klukkan sló  
Máninn ofar skyum hló  
Lysti upp gamli góтуslód  
Thar gladleg Lína stód

Gling gló, klukkan sló  
Máninn ofar skyum hló  
Leitar Lási var á leid  
Til Lína hanns er beid

Unnendum er máninn kær  
Umm thau tófraljóma slær  
Lási á bidilsbuxum var  
Brátt frá Línu fær hann svar

Gling gló, klukkan sló  
Máninn ofar skyum hló  
Lási vard svo hyr á brá  
Thvi Lína sagdi "Já"

Tic toc, the clock chimed  
Moon smiled above the clouds  
Lighting the old trail  
There Lina gaily stood

Tic toc, the clock chimed  
Moon smiled above the clouds  
Lasi from Leiti was on his way  
To Lina awaiting him

To sweethearts the moon is dear  
Around them falls its magic light  
Lasi wore his suitor's breeches

Soon from Lina came his reply

Tic toc, the clock chimed  
Moon smiled above the clouds  
Lasi wore a happy smile  
For Lina answered "Yes"
