Here's my version of it, eternal whirlwind
Here's my version of it, eternal whirlwind
Here's my version of it, eternal whirlwind

What's the lesser of two evils
If a suicide bomber made to look pregnant
Manages to kill her target or not?
What's the lesser of two evils?

What's the lesser of two evils
If she kills them or dies in vain?
Nature has fixed no limits on our hopes
Oh, what's the lesser of two evils?

What's the lesser of two evils
If her bump was fake or if it was real?

Here's my version of it
Eternal whirlwind
I have fostered since childhood
Well, I don't care
Love is all
I dare to drown
To be proven wrong
