

# Human Behaviour

Björk

If you ever get close to a human  
And human behavior  
Be ready, be ready to get confused  
And me and my hereafter  
There's definitely, definitely, definitely no logic  
To human behavior  
But yet so, yet so irresistible  
And me and my fear can  
And there's no map [?]

They're terribly, terribly, terribly moody of human behavior  
Then all of a sudden, turn happy and they and my here after  
But, oh, to get involved in the exchange of human emotions  
Is ever so ever so satisfying and they and my here, oh  
And there's no map [?]

Human behavior, human behavior  
Human behavior, human behavior

And there's no map  
And a compass wouldn't help at all  
Yeah, [?]

Human behavior, human behavior  
Human behavior, human behavior  
Human behavior, human behavior  
Human behavior

There's definitely, definitely, definitely no logic  
To human, to human, to human, to human
