

## Mutual Core

Björk

I shuffle around the tectonic plates in my chest  
You know I gave it all  
Try to match our continents  
To change seasonal shift  
To form a mutual core

As fast as your fingernail grows  
The Atlantic ridge drifts  
To counteract distance  
You know I gave it all  
Can you hear the effort  
Of the magnetic strife?  
Shuffling of columns  
To form a mutual core

This eruption undoes stagnation  
You didn't know that I had it in me  
Withheld your love, an unspent capsule  
I didn't know you had it in you  
You hid the key to our continuity  
I didn't know you had it in you  
This eruption undoes stagnation  
You didn't know, you didn't know

What you resist persists  
Nuance makes heat  
To counteract distance  
I know you gave it all  
Offered me harmony  
If things were done your way  
My Eurasian plate subsumed  
Forming a mutual core

This eruption undoes stagnation  
You didn't know that I had it in me  
Withheld your love, an unspent capsule  
I didn't know you had it in you  
This eruption undoes stagnation  
You didn't know I had it in me  
This eruption undoes stagnation  
You didn't know, you didn't know
