

# Where Is The Line?

**Björk**

Where is the line with you?  
Where is the line with you?  
Where is the line with you?  
Where is the line with you?

My purse wide open  
You ask again  
I see the crime and  
Cash into accounts everywhere

Where is the line with you?  
Where is the line with you?  
Where is the line with you?  
Where is the line with you?

I want to be flexible  
I want to go out  
Of my way for you  
But enough is enough

Where is the line with you?  
Where is the line with you?  
Where is the line with you?  
Where is the line with you?

I am elastic  
I want to go out  
Of my way for you  
I want to help you

Where is the line with you?  
Where is the line with you?  
Where is the line with you?  
Where is the line with you?

I want to have  
Capacity for you  
And be elastic, laa  
To be elastic, elastic for you

Where is the line with you?  
Where is the line with you?  
Where is the line with you?  
Where is the line with you?

I'm elastic for you  
But enough  
Is enough

Where is the line with you?  
Where is the line with you?  
Where is the line with you?  
Where is the line with you?
