

# Blac Sheep

Blac Youngsta

Black sheep of my family  
Always the one told I was gonna be shit  
One thing for sure, two things for certain my momma told me I was gonna be the greatest thing in the world  
I always believed in that  
Look how far I come (Yeah)

Thuggin' 'til my dying day, gangster shit in my DNA  
They tellin' me, "Slow it down", why the fuck when I see the wave?  
Guarantee take my family, gotta put racks in the safe (Racks in the safe)  
I been going through some shit lately, but I'm feeling blessed today (The Lord)  
I'ma try my best today to not think about yesterday  
Then again, when I think 'bout it I'm grateful for today (I'm grateful)  
Walking on faith, tryna feel the vibration through the hate (Vibration)  
I done been popped, so I feel the shell shock back in the day

Yeah (Gang, gang)  
I can't trust a friend (Yeah)  
I done been shot once before, can't let it happen again (Can't let it happen again)  
I'm praying to God, he can finally forgive me for my sins (Forgive me for my sins)  
I'm the black sheep of my family, if you too, you my twin (You my twins)

Lil' bruh on the pentatonic, on that murder shit, couldn't slippin' and slide (Free bruh)  
And that bitch can't hide  
On that Tupac shit, I'ma screamin' out, "Do or die"  
You done got beside yourself or caught yourself tryna speak up on the guy (How?)  
Gorilla beat his chest, ain't no need to send treats, we come through by surprise (Baow, baow-baow)  
Can't play politician with my shit on, I'm politic when it come to mines  
On the way, I'm politicizing and we pushing the line (Grrt)  
Pussy nigga (Bitch)  
Yeah, y'all tryna use they force to black ball me and shit, but they can't block a giant  
One Sunday morning 'fore dinner, fresh off the grind (Fresh off the grind)  
Gun on the dresser, I'm talking fresh out the slime (Yeah)  
They kicked the door, they told me, "Freeze, don't press with rewind" (Freeze)  
Coulda signed a death certificate, but I end up fine (Fah, fah-fah, fah)

Gang, gang  
I can't trust a friend (Yeah)  
I done been shot once before, can't let it happen again (Can't let it happen again)  
I'm praying to God, he can finally forgive me for my sins (Forgive me for my sins)  
I'm the black sheep of my family, if you too, you my twin (You my twin)

They just sent my dog to the grave, I can't see him again (Again)  
I'm hurt as fuck deep inside, but I hold up my chin (Hold up my chin)  
Lost so many of my dogs, I'm sure I lost some real friends (Real friends)  
'Lotta people took advantage of me but they won't do it again (Won't do it again)

Did it out the kindess in my heart, I ain't never want nothin' back (Nah)  
How the fuck you countin' times? You done been up for me like fix and flat (Pussy nigga)  
But I'm filthy rich, I ain't stuntin' that pussy shit 'cause I get the racks (I ain't stuntin' that)  
On the obituary how I see my brother, pussy, how I get you wet (Rest in peace)  
And I ain't got no love for nobody 'til God bring the real ones back (No)  
They done put my granddaddy, grandmama through slavery  
I ain't cool with that (I ain't cool with that)  
I ain't never going forward and I a whack who got somethin' to do with that (Fah, fah)  
And I'm ready for that World War 4 shit, where my shooters at? (Ayy)

Thuggin' 'til my dying day, gangster shit in my DNA (DNA)  
They tellin' me, "Slow it down", why the fuck when I see the wave? (See the wave)  
Guarantee take my family, gotta put racks in the safe (Racks in the safe)  
I been going through some shit lately, but I'm feeling blessed today (The Lord, yeah)  
I'ma try my best today to not think about yesterday (Yesterday)  
Then again, when I think 'bout it I'm grateful for today (I'm grateful, yeah)  
Walking on faith, tryna feel the vibration through the hate (Vibration)  
I done been popped, so I feel the shell shock back in the day
