

# Drop Yo Flag

Blac Youngsta

I got niggas in the cell block  
They'll put you in a head lock  
I told momma go and get me a lawyer  
They ain't even gone let me bail out  
A lot of niggas go to jail they don't keep it solid they just tell now  
The average black kid went to school  
Didn't have a father so he failed out  
I'm the realest nigga since 'Pac  
You ask Epic, I ain't sell out  
If the laws pull me over ridin around dirty nigga I'm a bail out  
On my side they spot, yea, I can't wait til they lay it out  
When I jumped up out that car, them niggas damn near fell out  
I don't shoot niggas from far, yea, I shoot nothing but headshots  
Have you ever went to jail for a murder?  
I beat two of them bitches before  
Baby I love ya, I ain't mean to hurt ya  
I ain't gone do that shit no more  
If you start speaking on my name, I ain't gone shoot at you no more

Heard you want me dead, nigga drop a bag  
If you gettin money, I can fuck with that  
It ain't shoppin' bitch, if you ain't poppin tags  
If you gang banging, don't you drop yo flag  
Heard you want me dead, nigga drop a bag  
If you gettin money, I can fuck with that  
It ain't shoppin' bitch, if you ain't poppin tags  
If you gang banging, don't you drop yo flag

I was lackin' in school, but grandmama stayed on me  
I'm gone pop a toast for every nigga ever hated on me  
I take care of you baby, only if you wait on me  
And if you ever cross me out, then I'm straight on ya  
[?] was hard coming up, yea, I was staving coming up, yea  
Every night I stayed up, yea  
Hustle, trying to get bucks, yea  
You don't want to know the shit I did for money  
What you wanna know that I came from nothing  
I can't even tell you about the robberies, about the shit I took from [?]  
You don't want to know what I threw at Onyx  
You don't want to know what I was sellin' at Sonic  
I can't even tell you about the bustas  
You don't wanna know why them niggas was running  
Scared, hundred on his head, this how I play it  
When I run up on you, what's that shit you said?

Heard you want me dead, nigga drop a bag  
If you gettin money, I can fuck with that  
It ain't shoppin' bitch, if you ain't poppin tags  
If you gang banging, don't you drop yo flag  
Heard you want me dead, nigga drop a bag  
If you gettin money, I can fuck with that  
It ain't shoppin' bitch, if you ain't poppin tags  
If you gang banging, don't you drop yo flag
