Blow the whistle (Blowin' a whistle), field goal (Field goal)
When I let that switch go, it feel like a stove (Hot, hot)

I tried to send the blicks, I swear to God, my opps, they dug me (Who?)
I come kill you up with some petty shit, like you said, "Fuck me" (True)
Last nigga tried touch me, he got face shot, left him lunge me (Fuck that ni
gga)
I'm big blood or ride, we homicide, that double Hummy (What's up?)
I'm creeping, late night, I got the drop, I'm on the front street (I'm outsi
de)
When I catch a body, I ain't speaking on shit, I'm sorry, this concrete (Woo
)
Pull up, stretch you for your ropes, so ain't no need to front me (Bitch-
ass nigga)
I'm pulling up taking like The Grinch 'cause they took from me (That's on wh
o?)
Mafioso with this shit, the streets left me with war wounds (War wounds)
I'm protecting my body with this chopper, this ain't no cartoon (Cartoon)
Bulletproof vest when I ride, you know, I got a lot of guns (Lot of guns)
You try approach this car, I swear to God, I let go my broom (Gang, gang, ga
ng)

When I let that switch go, it feel like a stove (Nigga, look)

I'm untouchable (I am), If a nigga whack me, got to be my partner and them
We walk in them labels, sign our own checks like we robbing them (Yeah)
I slide through my city, presidential like I'm Biden and them
We put work in bitches houses but we don't come finding them
I'm a vulture (I am), if I'm out here hunting, you know I'm finding them (Co
me here)
I'm a lil' order, patience bad, my advice, don't be playing with him (For re
al)
Conversations (Conversations), face to face (Face to face)
Talk on the phones (Never answer), you catchin' cases (Catchin' cases)
My bitch say she don't feel safe 'cause I've been sleeping with that Drac' a
t night (Woah)
Mama say I need therapy, maybe she wrong, but then again, maybe she right (Y
eah)
I've been hearing whispers in these streets and I don't take shit light (Wai
t, where it's at, what, what?)
Wake up, grab my scrap, I don't play with life 'cause I can't live it twice

(Yeah)

Pussy nigga (Pussy), get up with me (Nigga)
Get your issue, yeah, I keep my youngster
Up my shit, expeditious (Grr), I'm too official (Bag)
