

Gang, gang  
Yeah, real nigga shit  
Real nigga shit, yeah, real nigga shit  
Real nigga shit, yeah

Realest nigga walkin', that's for shit show (Woo)  
I done been through so much shit  
I done been through so much shit, I lived a life of sin (Life of sin)  
Tried my best gettin' ahead of the curb, but I can't pretend (But I can't pretend)  
And I'm in the projects tryna make a serve, that's a sin (Woo)  
Why the fuck you lie to me and you know I got tough skin? (Got tough skin)  
If I didn't win, but I help you win, nigga, that's a win (Nigga, that's a win)  
And you know I ain't goin' for shit and you know I stand on ten (Grrah, grrah)  
I cut all my ties with them niggas, I can't pretend (I can't pretend), yeah  
(Gang, gang)  
I can't pretend (I can't pretend), I can't pretend (I can't pretend)  
These niggas fake (These niggas fake), they know I see 'em (They know I see 'em)  
I'm droppin' off gang, I talk shit above the rim (Above the rim)  
Never jump in that water, you know you can't swim  
I got so many niggas dead and gone and I can't see 'em (I can't seem 'em)  
I got so many niggas locked up with lawyers tryna free 'em (For real)  
I got so many pussy niggas wanna see my life end (Damn)  
Gotta take it one step at a time 'cause these streets done got trim (Trim)  
This might be the realest shit I never wrote (This might, this might, this might, this might)  
I'm off the dome with this shit, I let shit go through telescopes (Tele, telescopes)  
They dropped another lo', so we pulled down, took out hella folks (Hella, hella folks)  
No innocent bystanders in the way, bitch, I can't let it go (Let it, let it go)  
No coppin' deuces, wanna go to war, bitch? Yeah, I'm ready for it (Ready for it)  
I'm from a city where they barbecue you, put you in lemon 'fore  
No, I ain't vegan, but it ain't no beef I really can't afford  
Steppin' 'bout my dog like I'm a dinosaur

Real nigga shit, yeah, real nigga shit  
Real nigga shit, yeah, real nigga shit  
Real nigga shit, yeah, real nigga shit  
Real nigga shit, yeah, real nigga shit  
You my dog, you my dog, real nigga shit (That mean you my nigga)  
Just give me that call, real nigga shit (I'ma stand there with you)  
And we all gon' ball, real nigga shit (For life)  
See your pictures on the wall, real nigga shit (You my nigga for life and after)

It been plenty nights that I been thuggin' (Plenty nights)  
Late night on that block (Yeah)  
And no one ever hold me down for nothin' (For real)  
It been plenty nights that I been trappin' (Yeah)  
Tryna get off my lil' rocks (For real)  
And the police had to come bust me for thumpin' (Yeah)

Demons talkin' every night (Yeah)  
Say they want my head, right? (Yeah)  
I know how to play it right (Play it right)  
They know I ain't scared, right? (Scared)  
How the fuck you want some smoke? (Uh)  
You can't stop at red lights (Red)  
You a well-known bitch (Bitch)  
I know how you bred right (Grr)  
I know how your lil' bitch pussy feel, I know what that head like (Huh)  
You talk shit behind my back, see me, act like we alright (Bitch ass)  
I keep runnin' to the paper, I keep livin' my life (My life)  
I ain't got no time for that hatin' shit, you can have the spotlight (Uh)  
How the fuck I see you when I got commas in my eyesight? (Woah, woah)  
I'm breakin' bread with my gang and we tight like The Twilights (Woah, woah, woah)  
No need for no one-on-one, if one fight, then we all fight  
Fuck nigga, it's on sight (Yeah)

Real nigga shit, yeah, real nigga shit  
Real nigga shit, yeah, real nigga shit  
Real nigga shit, yeah, real nigga shit  
Real nigga shit, yeah, real nigga shit  
You my dog, you my dog, real nigga shit (That mean you my nigga)  
Just give me that call, real nigga shit (I'ma stand there with you)  
And we all gon' ball, real nigga shit (For life)  
See your pictures on the wall, real nigga shit (And after)
