School

Blac Youngsta

All my clothes for school, I'm a be fresh as hell
I'm a kill at school, they gon' send me to the feds
Yo' bitch gon' cheat on you, and I know you love her
I'm takin' my gun to school, yesterday they tried to jump me
Get my haircut before school, I'm a be slice as hell
Talking 'bout what you gon', nigga you nice as hell
I'm a walk to school today, mama I don't need a ride
Mobbin' thru the graveyard and I'm gangin' with the guys

Transfering me to Hampton man I miss south side
Got me on the other side, with the other side
I know what I'm a do, if they try to play me
I'm a use his tool, he ain't even got it safely
I'm the freshest in the school, you can ask my teacher
I be fuckin' all the bitches, I be real creepy
My last girlfriend left me 'cause I cheated on her
So I can't be with one bitch, I'm too greedy, horny
Gangbangin' in the school, Gangstas in the school
Gangsta in the cafeteria, sellin' dope lookin' cool
Sold all my dope today, so I'm a play that Gotti
On my player fly shit, nobody needs nobody

All my clothes for school, I'm a be fresh as hell
I'm a kill at school, they gon' send me to the feds
Yo' bitch gon' cheat on you, and I know you love her
I'm takin' my gun to school, yesterday they tried to jump me
Get my haircut before school, I'm a be slice as hell
Talking 'bout what you gon', nigga you nice as hell
I'm a walk to school today, mama I don't need a ride
Mobbin' thru the graveyard and I'm gangin' with the guys

We gon' fight today, we gon' have a riot
Prinicpal tryna break it up, I'm hitting him in the eye
If you a nigga from my hood, you know I gotta ride
That's the day I got my dick sucked behind the slide
I be skippin' school, just to get high
The weed make me think better, it put me in a vibe
Gamblin' in the school, they put me in detention
I ain't wanna take it, so they me gave a suspension

All my clothes for school, I'm a be fresh as hell
I'm a kill at school, they gon' send me to the feds
Yo' bitch gon' cheat on you, and I know you love her
I'm takin' my gun to school, yesterday they tried to jump me
Get my haircut before school, I'm a be slice as hell
Talking 'bout what you gon', nigga you nice as hell
I'm a walk to school today, mama I don't need a ride
Mobbin' thru the graveyard and I'm gangin' with the guys
