He tried to Google something (Come here, bitch)
Then I upped that cig and let off shots
Like Freddy Krueger or something (Boom, boom, boom, boom)
My lil' nigga had three to the left
He repping blue or something
Overstood, I'm dying by my respect
Because I'm true to something (I swear to God)

Overstood, I overkilled, I pray my Momma overlive

'Caught my dawgs naked, dick out, no pistol, but he go to spill
Tryna make biz and buy a house bigger than Huddersfield
