My lil' Nashville bitch, she got ass on her (Ooh)

You reppin' big Bloody, you already know, keep a flag on you (Suwoo)

You said you gon' put a bag on me (Yeah)
I jump out on feet with that chopstick and smash on you
Careful with my words, you know my opps turned to the cops (Freeze)
"How you know?" 'Cause the last nigga, he died with a badge on him (Pussy)
Broke-ass lil' boy, you ain't die with no cash on you

And I treat my bitch like a beat, put a tag on her (Woo)
I produced the bitch, I'm the one put the ass on her (Woo, woo, woo, woo, woo, woo, woo, woo)
I keep a trash bag, but I need a trash can (Yeah)

They be fuckin' on the low, these hoes tryna pretend (Pretend)
Fuck the bitch, let it be (Oh)

With a lil' reddy next to me
On my way to UPS, fuck the bitch in the SUV
