Go against me you'll die like Pac  
Don't commit a suicide, Don't commit a suicide  
All my niggas they gone ride  
Go against me you'll die like Biggie  
All these tears in my eyes, Its gone be a homicide  
Run up on me you might die  
Run up on me you'll die like Pac  
Don't commit a suicide, Don't commit a suicide  
Run up on me you might die  
Run up on me you'll die like Biggie  
Don't commit a suicide  
All these tears in my eyes in my eyes, run up on me you might die

I can go back to the hood If I wanna  
I remember sellin dope on that corner  
Sold a whole lot of marijuana, I'm a boss I done beat my opponents  
Whole lot of dope I cook that, I'ma pitbull I done shook that  
Seen a lot of niggas lose they life, I thank god I can look back  
Lord can you bless my soul  
Can you let me live till I get old  
I don't wanna die like Pac  
I don't wanna die like Whitney Houston and overdose  
Ima rich nigga but I took resources  
I got Louie Vuitton on my seatbelt  
I was born premature doctor told my mama yeah your son gonna need help  
I shed blood sweat and tears in my eyes  
You wouldn't wanna live in my life  
If you play with me we kill something tonight  
If you play with me we kill something tonight

Go against me you'll die like Pac  
Don't commit a suicide, Don't commit a suicide  
All my niggas they gone ride  
Go against me you'll die like Biggie  
All these tears in my eyes, Its gone be a homicide  
Run up on me you might die  
Run up on me you'll die like Pac  
Don't commit a suicide, Don't commit a suicide  
Run up on me you might die  
Run up on me you'll die like Biggie  
Don't commit a suicide  
All these tears in my eyes in my eyes, run up on me you might die

South Memphis ain't been the same since I made it  
I ain't been the same since they hated  
I ain't been the same without you baby  
Got niggas doing life in the pen  
Niggas tellin tellin on they friends  
You know they gone playa hate when you win  
You know they gone act fake when you sin  
I bought a new house but I ain't move in  
Bought a new car but I ain't sit in  
Them niggas fake so I ain't fit in  
I went to heaven but I ain't get in  
I done committed all these sins  
I fucked that bitch and all her friends  
Tell them haters I don't need sin

Tell the dealership I don't need rims  
On my foreign, Nobody needs nobody  
Nobody needs nobody  
Nobody needs nobody  
All I need is me and my dawgs

Go against me you'll die like Pac  
Don't commit a suicide, Don't commit a suicide  
All my niggas they gone ride  
Go against me you'll die like Biggie  
All these tears in my eyes, Its gone be a homicide  
Run up on me you might die  
Run up on me you'll die like Pac  
Don't commit a suicide, Don't commit a suicide  
Run up on me you might die
