

Too Much Power

Blac Youngsta

If I ain't learn shit in life, I know niggas ain't with me
For shit sure
It's all good, nigga
On gang

I'm the gangsta-est nigga that done ever did it
I say what they scared to say
All these niggas fake, I see the hate, I can see that in they face (See it in they face)
Every time, 'fore I eat my meal, I make sure to say my Grace (Dear Lord)
I broke bread and niggas hog the plate, that's why they [?] (Thank you Jesus)
All that loyalty shit they scream, boy, that shit be hella' fake (Hella' fake)
I'ma bag a 'K, come to your party, kill you while you celebrate (Brrrt)
All the opps dropping like flies, that's why they can't concentrate
Been whacking shit since back in the day, we made 'em pump the brakes
I can go through hell and back, nigga, long as my people straight
I was in the Men in Black vehicle, they couldn't see the plates (Nah)
Niggas start to hate (Hate)
Shot the AK, I split his face (Brrrt)
Bullets penetrate (Baow, baow)
I done shot up shit, broad day (Yeah)
How much can I take? (How much?)
It's like, how much money can I make? (How much, Lord?)
Cash it in for pain, feeling the hurt, but I'll never break (on Jesus)
Blew my nigga's brain, that was the same day I caught a case (Rest in peace)
I lost two for one that day, had to look bro' mom 'nem in the face (Damn)

They be talking murder shit, but ain't never killed nobody (Nobody)
I know niggas who done abused the gang, they was juggin', too much power (Power)
I jump out with a dirty stick, take somebody's life that matters (Matters)
They done killed my mans, I spun the block, killed some in less than an hour (Hour)
I try my best to keep going, swear to God, it's a tough battle
Know the streets don't love nobody, so I ain't got no love for no cowards (Dear Lord)
I know God sent down a ladder, talking taller than Twin Towers
My lil' dog done died of natural causes, sipping drank in his bladder

Yeah (Gang, gang)
I commit some sins
Lost so many friends (Yeah)
I couldn't tell you where the pain begins (Pain begins)
This shit not a joke (Joke)
Tell me why the fuck you got a grin? (Why the fuck?)
Life jacket, can't float (Pussy)
When we talking spending life in Pen
Gave my dog ten, he told me bro' life just began (Yeah)
Told him, "Don't bend" (No)
Don't give up, so God gave him wind (Don't give up)
Fight to the end (Fight to the end)
For the dead homies, I pour out some gin (On God)
I done been crossed so many times, I can't trust my own kin (Gang)
All that gossiping shit gon' get you cut from head to toe (Gang, gang)
When they dropped the lo', I pulled up, knocked, they let me in (Baow, baow,

baow)
Ought' to think you crossing me 'til I come through and blow (Lil' bitch)
I pulled up and take your soul, we call that shit a win (Gang, gang, gang, g
ang, gang)
Gotta' be careful, where I'm from, these niggas will take your glow (On Bloo
d)
Young nigga hit you from a distance, shoot you through the lens (No love)
I can't go outside, can't let them treat me like no ho' (Nah, nah)
Keep that toolie on me cause that's my fuckin' friend (Yeah)

They be talking murder shit, but ain't never killed nobody (Nobody)
I know niggas who done abused the gang, they was juggin', too much power (Po
wer)
I jump out with a dirty stick, take somebody's life that matters (Matters)
They done killed my mans, I spun the block, killed some in less than an h
our (Hour)
I try my best to keep going, swear to God, it's a tough battle (Battle)
Know the streets don't love nobody, so I ain't got no love for no cowards (C
owards)
I know God sent down a ladder, talking taller than Twin Towers (Towers)
My lil' dog done died of natural causes, sipping drank in his bladder
