

Way Before

Blac Youngsta

Strong survive (Heavy Camp)
Real nigga since day one (I'm goin' out a legend, nigga)
I'ma pass this way (Same way I came in)
However God choose to bring me home
I'm goin' where I belong
Yeah

Gotta make it out the hood (Hood)
I prayed I would prevail (Would prevail)
I done spent many nights in jail (Yeah)
Way before they had a Zelle (Yeah)
Way before I knew 'bout Heaven (Heaven)
I was livin' a life of hell (Hell)
Saw the killers do it before me
So I walked that same trail (Same trail)
Walkin' through the same cut (Cut)
Walkin' with that same chopper (Same chopper)
I created a different name, I ain't talkin' Waka Flocka (Waka Flocka)
They call me Murder Man, when you see me, see a helicopter (Frr, frr, frr)
Every time I spot my man, guarantee send him to the doctor (Woo)

Every time I spot my man, guarantee send him to the nurse
Only time I put my car in reverse when I drive a hearse (For sure)
I cock the wheel, back that bitch back like I'm professional (Professional)
They paid me double for the body, why? 'Cause I know my worth
Put him in the dirt, pussy, I put in my own work
I'm a real killer, you must not did your homework (Yeah)
Really from the gutter, I'm South Memphis 'til the death (South Memphis)
I wish I can bring Marcus back and my uncle Jeff (Mackinnon)
I'm talkin' 'bout since a kid, only thing I ever dealt with was death (Gang)
I was super close to the crackheads in my hood way 'fore the meth (Gang, gan
g)
I'm talkin' 'bout way before I sold my CD off the shelf (Yeah)
I did everything in my power and I tried my best to help (Tried my best to h
elp)

Gotta make it out the hood (Hood)
I prayed I would prevail (Would prevail)
I done spent many nights in jail (Yeah)
Way before they had a Zelle
Way before I knew 'bout Heaven (Heaven)
I was livin' a life of hell (Life of hell)
Saw the killers do it before me
So I walked that same trail (Same trail)
Walkin' through the same cut (Cut)
Walkin' with that same chopper (Same chopper)
I created a different name, I ain't talkin' Waka Flocka (Yeah)
They call me Murder Man, when you see me, see a helicopter
Every time I spot my man, guarantee send him to the doctor (What?)

Why should I give a fuck? Nigga, I done took hella loses (Hella loses)
When I say my heart stone-cold, I ain't talkin' Steve Austin (Steve Austin)
I'm movin' cautious, niggas out here throwin' hella crosses (Hella crosses)
Jump in that Lamb', 'member buyin' cars from the auction (Gang, gang)
Way before I ever bought my cars out the dealership
I was pullin' through, jumpin' out with somethin' big on my hip (Bah, bah)
I will shoot at you if someone put some racks on your tip (Grr)

Right there on your top, I'm pushin' your shit back off the rip
While you take a trip, I got a few bonds I'm tryna ship
Since you talkin' shit, I'ma come through and cut off your lips
I'll cut out your tongue, I'm tryna cut up off the next flip
I'm rich as a bitch, I'm prayin' to God one day I don't slip (I don't slip)

Gotta make it out the hood
I prayed I would prevail (Would prevail)
I done spent many nights in jail
Way before they had a Zelle
Way before I knew 'bout Heaven
I was livin' a life of hell (Mm)
Saw the killers do it before me
So I walked that same trail (Same trail)
Walkin' through the same cut (Cut)
Walkin' with that same chopper (Same chopper)
I created a different name, I ain't talkin' Waka Flocka (Yeah)
They call me Murder Man, when you see me, see a helicopter (Murder Man)
Every time I spot my man, guarantee send him to the doctor

In God I trust
I don't give no fuck 'bout nobody but us
Fuck what you goin' through, nigga, get through it
Only the strong survive, nigga
Only the strong survive
