

With It

Blac Youngsta

Hey fuck boy
Nigga I'm in a booth right now nigga
With a hundred mother fucking jewelry nigga
In a big ass mother fucking bag homie nigga
And I have a pizza in my hand when I'm rapping

Everybody around me with it
Everybody really really with it
Everybody killing everybody got a shot
Everybody dead off a shot
Everybody hear this all my young niggas ignorant
Everybody around me retarded
Everybody killing know who did it
Everybody around me ignorant
Everybody with it all my young niggas with it
Everybody really really killing
Everybody with it every body around here did it
Everybody around for the kitty

Everybody kill it all my young niggas ignorant
Everybody around me retarded
Everybody killing know who did it
Everybody got them a shot
Everybody dead off a shot
Everybody hit them all my young niggas with it

I don't trust none of these niggas
Everybody bitches every body knows I take the issues
Everybody knows I rep I'm a CMG nigga
Every body knows in the city
Every body knows you ain't got it
Real killing niggas
Every body knows we come quickly
If a nigga ever play with them
Nigga come and get it
A hundred round in the chopper
A hundred rounds on the pistol
Nigga I'm with it
My young niggas here don't believe in God
Everybody knows he retarded
Everybody knows he's a real serious killa
Do you niggas ever been in penitentiary
Do it for my niggas dead and gone
I do if for my niggas
I cut out a whole lot of niggas
You can ask any nigga with me
I'm the king of South Memphis

And Everybody around me with it
Everybody really really with it
Everybody killing everybody got a shot
Everybody dead off a shot
Everybody hear this all my young niggas ignorant
Everybody around me retarded
Everybody killing know who did it
Everybody around me ignorant
Everybody with it all my young niggas with it

Everybody really really killing
Everybody with it every body around here did it
Everybody around for the kitty

Everybody kill it all my young niggas ignorant
Everybody around me retarded
Everybody killing know who did it
Everybody got them a shot
Everybody dead off a shot
Everybody hit them all my young niggas with it

I love all my lil niggas
Everybody killing
Everybody really really with it
Everybody around me astoring
Everybody around me eating up everything
Until nothing leaves
Nigga I don't trust any of these bitches
Everybody with it
Everybody say they really with it
When this shit really goes down
Everybody with it
And now niggas facing the needles
I know niggas rapping niggas
Nigga that ain't with it
Nigga I rev these nigga bitches
I cut a little rev nigga and do my sin
I got to know who did it
Everybody around tie ten
Everybody silly everybody
About to put out witness
Everybody staying on the stand
Everybody vicious

Every body around me with it
Everybody really really with it
Every body killing everybody got a shot
Everybody dead off a shot
Everybody hear this all my young niggas ignorant
Everybody around me retarded
Everybody killing know who did it
Everybody around me ignorant
Everybody with it all my young niggas with it
Everybody really really killing
Everybody with it every body around here did it
Everybody around for the kitty

Everybody kill it all my young niggas ignorant
Everybody around me retarded
Everybody killing know who did it
Everybody got them a shot
Everybody dead off a shot
Everybody hit them all my young niggas with it
All my young niggas with it
All my young niggas with it
All my young niggas with it
