Black Atlass

Your lips take me to California  
Your body takes me to the sky  
I know I'm fuckin dying for you  
So baby give me yours all night

Blue eyes crystal clear  
And tan lined freckled fears in you  
I want to take that ride  
My only piece and pride is you

And I can't stop the motion  
And I can't turn back time  
And summertime's our love baby, yeah  
And cherry skies our love, yeah

Blue eyes crystal clear  
And tan lined freckled fears in you  
I want to take that ride  
My only piece and pride is you

Yeah, I'm thinking  
Thinking who could she love  
Yeah, I'm thinking  
Thinking who could she love  
Yeah, I'm thinking  
Thinking who could she love  
Cause I know, baby

All I need in this life of sin is me and my girlfriend  
Down to ride 'til the very end; just me and my girlfriend  
All I need in this life of sin is me and my girlfriend  
Down to ride 'til the very end

All I need in this life of sin is me and my girlfriend  
Down to ride 'til the very end; just me and my girlfriend  
All I need in this life of sin is me and my girlfriend  
Down to ride 'til the very end;  
Just me and my girlfriend, me and my girlfriend
