

Happy Ending

Black Atlass

Ooh, ooh
Ooh, ooh-oooh
Ooh, ooh-oooh, ooh, ooh
Ooh, ooh-oooh, ooh, ooh-oooh
Ooh, ooh-oooh, ooh, ooh

She came to me in the night
Oh, I know this couldn't be fair
Looking me right in the eyes

Instead of anyone out there
And I didn't wanna fall in love
But I just couldn't help it, no
On her way out the club
She kissed me on my lips and said

"Don't you forget my name
You'll be the one to blame"
Babe, if you're trying to find a happy ending, I hope
I don't go breaking your heart (Oh, ho, oh)
'Cause I'm better alone, better alone
Love is overrated, I'll find it on my own, and I'm done
Letting it tear me apart (Oh, oh, oh)

She's always running my mind
Oh, I know this couldn't be fair
Keepin' me up in the night

Instead of anyone out there
And I didn't wanna fall in love
But I just couldn't help it, no
On her way out the club
She kissed me on my lips and said

"Don't you forget my name
You'll be the one to blame"
Babe, if you're trying to find a happy ending, I hope
I don't go breaking your heart (Oh, ho, oh)
'Cause I'm better alone, better alone
Love is overrated, I'll find it on my own, and I'm done
Letting it tear me apart (Oh, oh, oh)

Ooh, ooh
Ooh, ooh-oooh
Ooh, ooh-oooh, ooh, ooh
Ooh, ooh-oooh, ooh, ooh-oooh
Ooh, ooh-oooh, ooh, ooh
