Black Atlass

Is it really that simple?
Can I really not solve it?
Can I please know your secret?
Baby, nobody's watching
Oh baby won't you say that to me
Yeah, say that you
Oh baby come rock with me
Baby, come rock with me
You are that symbol to me
Oh, me yeah
You are that symbol to me
Oh oh
Me
One less problem

You won't stop weeping

She
She bring it down on me
Oh baby, won't you say that to me
Say that you
Oh baby don't come with
Baby come rock with me
You are that symbol to me
Oh, me
You are that symbol to me
Oohh

Yeah
Put your name on it baby
Yeah
Say that you
