

Lord Lucan Is Missing

Black Box Recorder

It seems like years ago
That the headlines read:
Lord Lucan is missing (2x)

Lord Lucan is missing (4x)

Fleet Street looked everywhere
And the police did too
Lord Lucan is missing (2x)

Repeat Chorus

Miss him at the Clearmont Club
Or in The South of France
Playing on the roulette wheel
In another game of chance

Lord Lucan is missing (2x)

Repeat Chorus
