

Rockin' To The Music

Black Box

Woh ho ho
Yeah he yeah
Just rockin' to the music...
Dance... Dance...

I know it's foolish but I like your touch
It keeps me movin' till I've had enough
You're on a pedestal, I felt so alone
Watcha gonna do for me
Won't you come along and...

I'm always busy tryin' to catch your eye
'Cause I just need you an' it ain't no lie
This night is calling, I won't let it go
Watcha gonna do for me
Won't you come along and...

Ask me how I'm feelin'
Doing this way
Feelin' fine

Ask me how's the feeling
I say it's alright
Just alright

Now we've got a feeling
Don't let it fade
Fade away

Ask me how's I'm feeling
I'm feelin' grand
Feelin' grand
