

Rock-A-Bye

Black Buddafly

Boy what you got planned tonight (Tonight)
Cuz I was thinkin maybe you might (You might)
Wanna stop by and see me
Cuz its almost bed time
Im ready, to get rock-a-byed to sleep (To sleep)
So how long do you think it'll be (Will be)
It's a little after 10
So when you get here, I'll be here waitin

Rock-a-bye I'll be your baby, Lullaby
Make me go crazy
Rock-a-bye, so good and so deep
Lullaby, put me straight to sleep
(2x)

Ohh come over play house with me (With me)
Take control and be my daddy (Daddy)
And I'll do whatever you say
Be a good girl for you any wish I'll obey
Take me ridin in your rocket love (Love)
Send me soarin to the stars above (Above)
Wrap me in your arms real tight
And love til finish
Dont forget my kiss goodnight

Rock-a-bye I'll be your baby, Lullaby
Make me go crazy
Rock-a-bye, so good and so deep
Lullaby, put me straight to sleep
(2x)

Rock it low, Rock it high
Make your heart sing lullabies
Let it flow to my soul
'Til im losing control
Rock it high, Rock it low
Take me in your arms and go
Boy just keep going deep and just put me to sleep

Rock-a-bye I'll be your baby, Lullaby
Make me go crazy
Rock-a-bye, so good and so deep
Lullaby, put me straight to sleep
