Dala ndikulindele

It's so hard
Being with someone that don't love you back
It's so hard
Being with someone that don't love you back
You'd rather do that
And live in a lie
I thought if I became
Everything, you wanted me to be
You might never, leave me
I thought if I became
Everything, your heart desires
You'd be right here with me

Ndiyoyika
Nd'yoyik' ukba ngedwa
