

I'm Fallin'

Black Coffee

Come let it fall to pieces
I'm waiting

Watch me unfold
I'm earning the weightless

Add it all
To the ocean
To come undone

We're breaking open
Let it turn
To the sun

I'm fallin', I'm fallin'
I'm fallin', I'm fallin'

A pool in your mind
The love that we made here

Gravity tides
The softness we laid in

Add it all
To the ocean
To come undone

We break it open
Let it turn
To the sun

I'm fallin', I'm fallin'
I'm fallin', I'm fallin' (Lead my body, lead my body)
I'm fallin', I'm fallin' (Lead my body, lead my body)
I'm fallin', I'm fallin' (Lead my body, lead my body to the sea)
I'm fallin', I'm fallin' (Lead my body, lead my body)

I'm fallin', I'm fallin'
I'm fallin', I'm fallin'

Add it all
To the ocean
Come undone
I'm fallin', I'm fallin'

Break it open
Let it turn
To the sun
I'm fallin', I'm fallin'

I'm fallin', I'm fallin'
I'm fallin', I'm fallin'
I'm fallin', I'm fallin' (Falling for you)
I'm fallin', I'm fallin'
I'm fallin', I'm fallin'
