

# BLISS AND STUPIDITY

Black Dresses

It's ok to keep your soul hidden  
Keep a secret to yourself  
It's ok to be a bad singer  
You can sing a special song all by yourself  
It's ok if your soul is h...  
It's ok  
It's  
Um  
I don't wanna speak a word  
Caught in a sunbeam of purity  
Rewarded for my bad behavior  
Burnt down bridge to recovery

I don't wanna speak  
I'm caught in sunlight  
Is it right to be  
Burning so many bridges  
What's right for me?

Bliss and stupidity  
If life is death then I'll just live  
If it's really gonna be that shit  
Uhuh  
If it's really gonna be that shit  
I'll write another song  
I tied it up in ribbons  
I put the sparkle on  
I thought it would be enough but I was wrong

I just wanna be  
Liked by everyone  
I just wanna see  
The stars the moon and the sun  
And feel at peace with the world  
No enemies  
But I'm still falling down

Still chasing lucidity

Still chasing bliss and stupidity

Alright um  
She comes in looking kinda scary  
I'm looking kinda zoned out  
They say "love suffers from a guitar"  
I say throw the fucking guitar out  
But every day is the same  
It's just more of the boring shit from before  
I thought it could be something different  
But no it's the same thing only much more

I keep making enemies  
Out of situations  
That I don't understand  
I just try to keep it basic  
But everything's so

Complicated  
I get so frustrated  
Trying to figure it out  
Out  
Out  
Out  
Out

I just wanna be liked by everyone

I just wanna be  
Liked by everyone  
I just wanna see  
The stars the moon and the sun  
And feel at peace with the world  
No enemies  
But I'm still falling down  
Still chasing bliss and stupidity

I just wanna be  
... by everyone  
I just wanna see  
The stars the moon and the sun  
And feel at peace with the world  
No enemies  
But I'm still falling down  
Still chasing bliss and stupidity

If life is death then  
I'll just live  
If it's really gonna be that shit  
If it's really gonna be that shit  
I'll write another song  
Another song  
I tied it up in ribbons  
I put the sparkle on  
Is it enough?  
It's just a song

Still...  
Yo
