GO INSIDE

Black Dresses

You'll never find a way out
(Someday you won't recognize me)
You'll never find a way out
(Someday you won't recognize me)
You'll never find a way out
(Someday you won't even know who I am)
You'll never find a way out
(I live for that day)

Yeah, I eat the ashes, yeah, I eat the bones
Yeah, I know the people, yeah, I know the ones
Why? 'cause God tells me
Why? 'cause God tells me
Why? 'Cause God tells me why
Yeah, I eat the ashes, yeah, I chew the bones
Yeah, I know the people, yeah, I know the ones
Why? 'cause God tells me, it could be whatever
It doesn't matter even if I get it wrong
Sometimes I think that I'm dreaming
Sometimes I know that I'm not
Sometimes I think it's a matter of fact
Sometimes I think it's just tied up in a knot
It could really be whatever

It can go inside you, it can unwind you
It can rewire you, force feminize you
You'll never be who you thought you were, true
"Everything's see through", trust me, I feel you
Memories steal you, present tense, weird too
Who is this geared to? nobody near you
I think I fear you, I think I fear you
I know you're scared of me, so I'm scared too
The difference is... I don't want to kill you
(Okay, Dizzy, get back in here I'm done)

It could, it could
It could wear your skin
It could dig right in
It could go inside of you
It could wear your skin
It could dig right in
It could go inside of you
