

MONEY MAKES YOU STUPID

Black Dresses

The regimes [?] 'in' [?] somehow?
Oh, funny thing, somehow...
Wait a couple weeks
How we're doing now?
Oh, we're fucking thinking now?

Uh, uh
I don't wanna feel it
I don't wanna feel it, fuck it up
Uh, uh
I don't wanna feel it
I don't wanna feel it, fuck it up
Uh, uh
I don't wanna feel it
I don't wanna feel it, fuck it up
Uh, uh
I don't wanna feel it
I don't wanna feel it, fuck it up

Hey, Jesus, what the fuck
All this bullshit makes me cum
Heard this saying, "Suck my nuts"
All this money makes me dumb

(Shoutout Paledusk)

We're just like you!

Uh
I don't wanna feel it
Uh, uh
I don't wanna feel it
I don't wanna feel it, fuck it up
Uh, uh
I don't wanna feel it
I don't wanna feel it, fuck it up
Uh, uh
I don't wanna feel it
I don't wanna feel it, fuck it up

Keeping track of everything
Keeping track of
What I used to tell myself I wanna be
Scattered like a memory
Scattered like a stupid little dream
Like a stupid little dream come TRUE

Ugh...

What does it mean? Not anything
Put your guilty conscience at ease
Yeah, what do you want to believe?
Yeah, what do you want to believe?
What does it mean? Not anything
Put your guilty conscience at ease
Yeah, what do you want to believe?
What do you-

What the fuck you wanna see?
What the fuck you wanna
Try to tell yourself will never be?
Oh please, what
What the fuck you wanna see?
What the fuck you wanna
Try to tell yourself we'll never be?
Oh please

I might just stress in my spot
I might just give up on God
I might just die while you watch
I might just do what I want
I might just do what I want
I might just do what I want
Grey cement looking like a window
Looking at the past, Jesus keep my eyes low

Let's peace out and screw them
Fuck it, let's fucking cash out
Get stupid
Everything I want to be is a weapon
Everything I want to be is a WEAPON

Yeah, I cause my own problems
Yeah, it's true
I'm a natural born loser
Yeah, I can do that shit
If I wanna
I can drop out of life
If I wanna
Yeah, I cause my own problems

Female gigachad, working it out
