

## SCARED 2 DEATH

### Black Dresses

Scared to death, death  
Scared to death, death  
Bloody worm goddess  
You look so pretty when you're scared to death  
It'll never change  
Burning bright with fear and hopelessness  
Tearing through me again  
Tearing through me again  
Trapped in amber again

Scared to death of the hole  
Scared to death of the whole world  
It's all true it's all true  
Scared to death of the dream  
Scared to death of the seams  
That you try to ignore  
It's all true  
It's all true

It's all true!

Trapped inside it again  
I don't sleep anymore  
I don't have any dreams  
I don't have a true form

Trapped inside it again  
I don't sleep anymore  
I don't have any dreams  
I don't have a true form
