

THANK U

Black Dresses

Thank you

Thank you for letting me live
For letting me live
In such a fucked up world

The sick only have each other
The sick only have each other
The sick only have each other
The sick only have each other
The sick only have each other
The sick only have each other
The sick only have each other
The sick only have each other

Thank you for letting me live
For letting me live
In such a fucked up world
