Black Dresses

Yeah yeah yeah
Yeah yeah yeah, uh
I said I wouldn't do it but I didn't
I said I wouldn't do it but I couldn't
I said I wouldn't do it but I did it and I never thought I would

People say nothing is impossible but I do nothing every day

Why am I still like this?
Everybody changes
Way too weak to fight it
Break it down, restrain it
One more crisis sighted
Why am I still like this?
Way too weak to fight it
It is always like this

Who the fuck are you trying to do this shit I do?
Who the fuck are you coming in the booth sounding like me?
Wish you were me? Man, I wish you weren't me
You got this record deal but you're so ugly

Who the fuck are you? Forgot you shouldn't do this shit I do
Who the fuck are you coming in the booth sounding like me?
Wish you were
Wish you weren't
I thought you couldn't?

No life
Inside
Black light
Soul slime

Why am I still this?
Why am I still me?
So much distance
Please God send me entropy

Ow

If you got- if you got what you wanted
If you got what you wanted the most
If you got- if you got what you wanted
Would you still be fucking depressed?
Would you still be fucked up by the past?
Would you still regret everything? Yes
I don't know what the fuck I just said
I don't know what the fuck I just said...

And I know now
How the way you do it now
What the fuck just sit down
If you got everything you ever wanted
If you got what you wanted the most
I forgot what I wanted the most
