

# We Are Children Of The Light

Black Dresses

We are children, children of the Light  
We are shining in the darkness of the night  
Hope for this world, joy throughout the land  
Touch the heart of everyone, take everybody's hand

Come, come and gather 'round the flame  
Share the light in His name  
We the children of the light  
As the wind blows where it will  
Spread the news to everyone  
There's still plenty of time, for we have just begun

We are children, children of the Light  
We are shining in the darkness of the night  
Hope for this world, joy throughout the land  
Touch the heart of everyone, take everybody's hand

Join, join the song of all the Earth  
We've a dream, a dream to share  
And a promise of rebirth  
Let the Earth feel the warmth  
Of the love there in your heart  
We have many a dream and promises to keep

We are children, children of the Light  
We are shining in the darkness of the night  
Hope for this world, joy throughout the land  
Touch the heart of everyone, take everybody's hand  
We are children, children of the Light  
We are shining in the darkness of the night  
Hope for this world, joy throughout the land  
Touch the heart of everyone, take everybody's hand
