We'll Figure It Out

Black Dresses

People always say that we'll figure it out
But everything just keeps piling on up
Economy size blood bigger than God
We'll just solve 10, 000 years of problems

Next generation gives all of the hope
Fix it all up 'til nothing is wrong
So keep piling it up
Pass it along
I know we can solve all of the problems

I'm breaking it
It's broken
I open it
It opens

I'm breaking it
It's broken
I open it
It opens

I'm drowning and
I'm floating
I'm dreaming and
I'm hopeless
I don't give a shit if it doesn't work
I've done a lot of things and none of them worked

I'm breaking it
It's broken
I open it
It opens

I'm breaking it
It's broken
I open it
It opens

I'm drowning and
I'm floating
I'm dreaming and
I'm hopeless
I don't give a shit if it doesn't work
I've done a lot of things and none of them worked

I'm fucking in a trap
We're fucking in a trap
We're fucking in a trap
We're fucking in a trap

We're fucking in a trap
We're fucking in a trap
We're fucking in a trap
We're fucking in a trap

We're fucking in a trap
We're fucking in a trap

We're fucking in a trap
We're fucking in a trap
We're fucking in a trap
We're fucking in a trap
We're fucking in the doorway of the trap

I'm just trying to un-fuck my brain
And sleep lately
Umm... okay
I wish I was a faker
So people would hate the fake me

I don't wanna say it
I don't wanna say it
Uh, uh-uh, uh, uh

I don't wanna say it
(I don't wanna say it)
Uh, uh-uh, uh, uh
Uh, uh

I'm breaking it (I'm breaking it)
It's broken (It's broken)
I open it (I open it)
It opens (It opens)

I'm breaking it (I'm breaking it)
It's broken (It's broken)
I open it (I open it)
It opens

I'm drowning and (I'm drowning and)
I'm floating (I'm floating)
I'm dreaming and (I'm dreaming and)
I'm hopeless
I don't give a shit if it doesn't work
I've done a lot of things and none of them worked
