

Celebrate

Black Eyed Peas

Everybody
We don't got no time for waitin'
Let's go celebrate, celebrate
Let's go celebrate, celebrate
Everybody
Esta es una celebración
Vámonos, ándale, ándale
Vámonos, ándale, ándale

I got the keys to the city
You know that is how I bid it
Lift it up max, no limit
We livin' like we won't forget it
I came to party, tú sabe' (Ayy)
Sippin' on piña coladas (Ayy)
Spendin' and spendin' my dollars (Ayy)
I party like that's what my job is
I'ma be sippin', I be double fistin'
No, I won't be drivin', I'm drivin'
I'm steppin' out drippin', stay hot like a kitchen
'Cause baby, that is how I'm livin'

I wanna go out to play (Ayy)
Like I don't got bills to pay
If you throwin' that hate my way
You best go about your way and have a nice day

Everybody
We don't got no time for waitin'
Let's go celebrate, celebrate
Let's go celebrate, celebrate
Everybody
Esta es una celebración
Vámonos, ándale, ándale

Eh, eh, ándale, ándale
Life is a movie, all day like a matinee
Party on Monday like it was a Saturday
She said to meet her halfway, she came all the way
It's a holiday, holiday
We are so faded, we fade away
No mames, no mames güey
I'm in the party like ayy, ayy, ayy, ayy

Vámonos, vámonos, vámonos
Baby, we 'bout to take off just like adiós
Turn up the jam, pump the audio
Dance like a cholo if you from the barrio, ayy
Let's celebrate, celebrate, ayy
We fallin' up, we gon' elevate, ayy
We doin' our way, we don't hesitate
We keep on movin' and movin', accelerate

I wanna go out to play
If you throwin' that hate my way
You best go about your way and have a nice day

Everybody
We don't got no time for waitin'
Let's go celebrate, celebrate
Let's go celebrate, celebrate
