Hustled, no luck in America  
Came out the jungle, that's a miracle  
I woke up puffin' on a medical  
Luch time, munchin' on the edibles  
Walkin' on the ceiling, feel incredible  
I'm makin' every moment unforgettable (Ayy)  
Here we go, here we go, here we go (Ayy)  
I'ma let you know the scenario (Ayy)

Ay, ay, ay, ay, ay

And I'ma hit it twice tonight  
'Cause she got a brother hypnotized
