Mamacita

Black Eyed Peas

Baby, ven conmigo, ven conmigo, baila
La música es testigo, ya la veo, mamacita
Louis Vuitton es su vestido
Diamantes, le gusta cuando al oído yo le digo, eh-eh

Mamacita, mamacita
Qué bonita (Mamacita)

Eh, oh, eh-eh
Eh, oh, eh-eh

Mamacita, mamacita
Qué bonita (Mamacita)

Ella no le baja, nunca tumba
Siempre está lista pa' la rumba
Dos amigas que le secundan
Salen y gastan la' funda'

Le gusta sudar el alcohol
Sola la pasa mejor
Vestí'a de Christian Dior
Siempre llega cuando sale el sol

Dame lo que yo sé
Una botella 'e rosé
Que la shorty tiene sed
Ese booty, mami, la rompe

Ella tiene algo que hace que a mí me guste
Ella tiene algo que hace que a mí me guste

I'ma put you in the mix
Put you in the mix
Put you in the, put you in the
Put you in the mix

Alright, okay
I'ma love you all kinda ways
Boy, you got me caliente
When you call me 'Mamacita'
Alright, uh-huh
Boy, you got me saying ooh-la-la
Ay, Dios mío, oh my God
Call me 'Mamacita'

Mamacita, mamacita
Qué bonita (Mamacita)

Eh, oh, eh-eh
Eh, oh, eh-eh

Dame eso, dame beso
Dame tu corazón, dame cuerpo
Mami, when you give me body, I won't let go
You're the best, baby, yup, you special

Damn baby, I want what you got
First time I seen you, I'm like, "Who that?"
Dame dulce, dame azúcar
I do what you say, vamos a bailar
'Cause I like the way you move like this
I like the way you wind up your hips
I like the way you grind and twist it
Hot damn, baby, you got me lit

When you put me in the mix
Put me in the mix
Put me in the, put me in the
Put me in the mix

I'ma put you in the mix
Put you in the mix
Put you in the, put you in the
Put you in the mix

Alright, okay
I'ma love you all kinda ways
Boy, you got me caliente
When you call me 'Mamacita'
Alright, uh-huh
Boy, you got me saying ooh-la-la
Ay, Dios mío, oh my God
Call me 'Mamacita'

Mamacita, mamacita
Qué bonita (Mamacita)

Eh, oh, eh-eh
Eh, eh, oh, eh-eh

Put me in the mix
Put me in your vida
Put me on top
Ponme arriba
Put me in, put me in
Put me in between ya
Mami got the fire and I got the gasolina

Mueve mami
Move it on me
Sacúdelo, make me a zombie
Girl, make me sweat like wasabi
I know I got you wet like tsunami
I wanna make you my princesa
Where ya wanna go? What interests ya?
Give ya that mundo to impress ya?
If ya hot, baby, let me undress ya

Alright, okay
I'ma love you all kinda ways
Boy, you got me caliente
When you call me 'Mamacita'
Alright, uh-huh
Boy, you got me saying ooh-la-la
Ay, Dios mío, oh my God
Call me 'Mamacita'
