Black Funeral

From the gates of Heaven, we fell towards the abyss once crossed, we were as gods born through the northern winds of night fallen to earth, our domain is one beasts of nature... werewolf rising Walking the earth, the flesh is ours feel the rope around the flesh, tighter my spirit is the time of darkness, the blade which finds the flesh, vengeance and wrath are one my spirit is eternal, exact in its nature equal to solar power, balanced with night Belial, I am this number, I am no one, Belarion towards the Throne of Sorcery We are walking with Christ no longer, lies are the inconsistency of all that is natural Burning temples, let us open the Book of Belial reclaim the power of the Crimson Warlock, Sorcerer of the Highest Order
